Introduction :

Russell : 快樂學英語、親子一起來! Happy English Learning. Let's learn it together. Hello! Everyone! Nice to see you again! This is the second time we meet you on TV. Do you remember me? I'm Russell from Wen-de elementary school. Today we have a new teacher joining our class. She is beautiful, lovely and friendly. Hi, Emily. Say something for our audience.

Emily : Hi! Russell. Hi! Students. My name is Emily. I teach English at 文德 elementary school. I am happy to be here. By the way, what's the topic today? Russell.

Russell : Today we are going to talk about sports. (X2)

Emily : Well, although I am not good at sports, I can introduce sports in English very well.

Russell : Really! Ok! After introducing today's students, we will have an English sport news. You can prove your words. Today we also have another four new students in our class. Let them introduce themselves first.

S (Kevin) : Hi ! My name is Kevin. I have one sister. Her name is Angel. I like swimming.

S (Jacy) : Hello ! Everybody ! I'm Jacy. Nice to meet you.

S (Ernie) : Hey ! Look ! I am good at playing basketball. Oh ! I forget to introduce myself. I am Ernie.

S (Jeddy) : My name is Jeddy. I swim very well and I love jogging, too.

Russell : Welcome to our class today. Now Let's see today's English news.

Russell : After listening to their song, are you ready to start today's class? Let us hear today's sport news.

English news :

Kevin : **Venus jumps to 11th after Warsaw win**

MIAMI, United States : Venus Williams jumped two spots in the WTA rankings released here following her victory in Sunday's final at Warsaw, putting her on the verge of a return to the top 10.

The American standout rose from 13th to 11th place, four spots below her sister as top players begin final preparations for the French Open later this month.

Vocabulary teaching 1 : 背景合成場景(3min)

Russell : Well, the English news is finished. Can you tell us what's the content of this news? Emily!

Emily : [昏睡狀然後突然驚醒] What! The news is finished. Oh! My Goodness, what is it about?

Russell : 我真是敗給你啦! 唉!這則新聞是在說網球女將威廉絲又重返網球排行榜的前十名了啦，小朋友如果我們學會了運動的英文，我們不但可以

聽得懂最新的體壇消息，還可以和朋友們討論運動的主題喔!And then we will introduce new vocabulary and today's conversations.

S(Kevin)：我們這組要介紹的運動都跟圓形有關喔!之前啊第二集的 Heidi 姐姐有教大家圓形的英文怎麼說，你們還記得嗎?

S(Jacy)：I know it's "circle". (X2) 但是什麼運動跟圓形有關呢?嗯!啊我了了. It must be Frisbee. Frisbee is circle.

S(Kevin)：Bingo! You got one point. Then let me give you a hint. "Wheel" is "circle".

S(Jacy)：Wheel 輪子是圓的，喔我知道了你是說只要有輪子的運動都和圓有關。那我弟弟最愛玩的 skateboard 有四個 wheels。

S(Kevin)：還有現在最流行的直排輪 rollerblade 和滑板車 scooter 都是有 wheels 的喔。

Russell：Ok! Let us review the four words. Then we will explain more details. The first word is Frisbee. (X2) Double ee sounds [i]. Repeat after me. Frisbee. (X2) 那玩 Frisbee 的動詞要用 play 玩這個字，來練習一下吧 play Frisbee. (X2) The second word is skateboard. (X2) 這個字有兩個部份 skate a_e sounds [e]. Skate 這個字是溜冰的意思，加上 board 板子這個字就成了滑板 skateboard(X2)，那玩滑板的英文是用 ride 騎這個動詞，ride a skateboard(X2)。The third word is rollerblade. (X2) 這個字可以當動詞使用所以你就可以直接說 I rollerblade. 我在玩直排輪。rollerblade. (X2)。The last one is scooter. (X2) Double oo sounds [u]. Scooter 原本指的是 50CC 以下的小綿羊機車，現在被借用來當 scooter 滑板車，scooter. (X2)玩 scooter 的動詞也是用 ride 騎這個動詞，ride a scooter(X2)。

Russell : Great. We finished the first part of vocabulary. Now we have an English show. See what happened after school. 我們現在來看看放學後小朋友們在做些什麼運動呢?

Conversation 1 :

S(Jacy) : Ray, what do you do after school?

S(Kevin) : I rollerblade after school.

S(Jacy) : Can I join you?

S(Kevin) : Sure. Thirty minutes later, I'll wait for you at the park.

S(Jacy) : Ok! See you then.

S(Kevin) : Bye-Bye!

Conversation 1 teaching :

Russell : Ok! It's explanation time. At the begging, S(G1)said: Ray, what do you do after school? (X2) 你放學後要做些什麼事呢? School means 學校, after school 指的就是放學後。S(KEVIN)answered: I rollerblade after school. (X2) 我放學後要去溜直排輪, S(G1)一聽覺得溜直排輪實在是很酷的一種運動, 所以她也很想加入, So she asked: Can I join you? (X2) 我可以和你一起去嗎? S(KEVIN)answered: Sure. Thirty minutes later, I wait for you at the park. (X2) 當然好囉!三十分鐘後我在公園等你, S(G1)said: Ok! See you then. (X2) 沒問題, 待會而見囉! S(KEVIN) then said: Bye-Bye! (X2) 再見了。

Russell : Ok! We finished the conversation 1teaching part. Now it's your turn to practice with me. Don't forget to repeat every sentence twice. Ray, what do

you do after school? (X2) I rollerblade after school. (X2) Can I join you?
(X2) Sure. Thirty minutes later, I wait for you at the park. (X2) Ok! See
you then. (X2) Bye-Bye! (X2) 。

校園英語 VCR1 :

Russell : \ We have finished the vocabulary and conversation 1. 下一段節目我們有很多小朋友要來告訴你，他們放學後做的運動項目喔，Emily 老師，我們的小朋友可是臥虎藏龍，不但有完保齡球、飛盤表演和搖呼拉圈喔，你有沒有信心贏得過我們啊?

Emily : 哼! 沒有三兩三，哪敢上梁山，我既然來了當然也做好了萬全的準備了，儘管放馬過來吧!

Russell : Ok! See our VCR go!

Hi! We are English reporters part 2.

Today we come to Wen-de elementary school again.

This time we will ask students some questions about sports.

Our question is “What do you do after school?”

And our question is “What’s your favorite sport?”

Ok! Wait and see our interview.

Let’s Go!

Vocabulary teaching 2 :

Emily : 哇! Russell 老師你們那組的 VCR 真是精采呢，不過我看還是贏不過我們這隊的啦!

Well, we can see many kinds of sports in the VCR. Now let’s learn the second part vocabulary and conversation.

S (Ernie) : 每次下課的時候，我都發現籃球場上好熱鬧喔!

S (Jeddy) : That's right! It's fun to play basketball. 兒童節的時候，學校送我們每人一條跳繩，所以下課的時候，也有許多小朋友在 jump rope.

S (Ernie) : On holidays, I preferred to go jogging with my parents near Cheng Quing Lake. The air is so fresh !

S (Jeddy) : Summer is coming ! I enjoy swimming in the pool most. I imagine I am a fish.

S (Ernie) : Really! May I go with you?

S (Jeddy) : Sure. No problem.

Emily : Ok ! Let's learn the four words. The first is basketball. (x2) basketball 是由兩個字組的喔！basket 是籃子，ball 是球的意思，那 basketball 當然就是籃球囉！像 baseball 也是相同的情形，base 是壘包，加上 ball 球，就成了棒球了，打籃球要用 play 這個動詞。Please repeat after me. play basketball. (x2) The second word is jump rope. (x2) 小朋友來猜猜看 jump rope 是什麼意思？jump 是跳，rope 是繩子，jump rope 當然就是跳繩，In Wen-de elementary school, all the students receive a jump rope as their children's festival gift. I find everyone jumping ropes very well. Ok ! Open your mouth and repeat after me. jump rope. (x2) The third word is jog. (x2) It means you run slowly. It's healthy for us. Ok ! Please repeat after me. jog. (x2) Summer is coming. So the fourth word is swim. (x2) m sounds [m] . Remember to close your mouth. Swim 是游泳的意思，那 swimming pool 就是游泳池囉！ Ok ! 來練習一下 swim. (x2)

Emily : Great ! We finish the second part vocabulary. Now we have an English conversation show. Please enjoy it !

Conversation 2 :

S (Jeddy) is jumping rope. S (Ernie) is playing basketball and coming in.

S (Ernie) : Hi ! Long time no see.

S (Jeddy) : Wow ! How strong you are! Do you exercise every day ?

S (Ernie) : Yes, I do. I play basketball every day.

S (Jeddy) : Do you jump rope, too ?

S (Ernie) : No, I don't. I prefer playing basketball more.

Conversation 2 teaching :

Emily : After watching their English show, it time for teaching. B2said: Hi ! Long time no see. (x2) Hi ! 好久不見了 ! 表示 B2 和 G2 可能有一段時間沒有見面了，也許 B2 變高、變壯了，所以 G2 很驚訝的對 B2 說 Wow ! How strong you are ! (x2) 哇 ! 你看起來很健康、很強壯 ! strong 是健康、強壯的意思，那 strong man (x2) 呢 ? 沒錯 ! 就是大力士的意思，Do you exercise every day ? (x2) G2 問說你每天運動嗎 ? exercise 是運動或練習的意思，例如像我們的練習簿、作業簿，就可以稱為 exercise book. B2 回答 Yes , I do. I play basketball every day. (x2) 對呀 ! 我每天都打籃球，打球我們常用的動詞是 play，例如 play volleyball 打排球、play tennis 打網球等，G2 說 Do you jump rope , too ? (x2) 那你也跳繩嗎 ? 剛好 G2 正在跳繩，所以就問問看 B2 是否每天有在跳繩，B2 回答 No , I don't. I prefer playing basketball more. (x2) 不，我沒有. 我比較喜歡打籃球，more 是較多、更多的意思。

校園英語 VCR2 :

Emily : Ok ! Now let's see the VCR part 2 together. In this VCR, you can see students talking about their favorite sports. Go !

Emily : Wow! Today's VCR is so great. Do you enjoy it? Now we have another English song for you. Don't miss it.

English songs : S(All) : We will sing "Pass the ball" for you. Move your body and sing with us.

歌詞 : Pass the ball to the beat ,
Till you hear the tambourine ,
Pass the ball the other way ,
Listen closely while you play.

Faster , faster , move the ball ,
Careful that it does not fall ,
Faster , faster , on we go.
Where it stops , we do not know .
Slowly , slowly , move the ball ,
Carely that it does not fall ,
Slowly , slowly , on we go ,
Where it stops , we do not know.
